2007

ROTTERDAM 2007 CITY OF ARCHITECTURE A LARGE-SCALE PUB- LIC MANIFESTATION ABOUT EXCEPTIONAL BUILDINGS AND PUBLIC SPACES IN ROTTERDAM WITH 40 HIGHLIGHTS, SPECIAL ROUTES AND MAJOR EVENTS.

And much more...

All year round ROTTERDAM 2007 CITY OF ARCHITECTURE has much to offer. Well known is the world famous Van Nelle Design Factory, a modernistic factory by the architects Brinkman & Van der Vlugt from 1931 that currently houses many architectural firms. One can visit the museum houses Villa Sonneveld, a fully restored Modernist villa, or the Cube Houses, postmodern tilted cubedwellings resembling trees. For more information on architecture and urban planning in Rotterdam one should visit the City Information Centre. In models and exhibitions the latest designs and projects are shown. Every year thousands of professionals and tourists explore Rotterdam with Rotterdam ArchiGuides. Specialised in architectural tours, one can experience the city or visit the Van Nelle Design Factory and museum house The Kiefthoek. Specialists, interested visitors and tourists find what they are looking for in Rotterdam.
