the 500 sq.m. plot is abolished in favour of a sort of fusion of intermediary common spaces and gardens.

overall, the surface is still in accordance with the program: the plan hereunder sums up a total area of approx. 7000 sq.m. for 12 dwellings + a few public facilities for visitors (Bed&Breakfast, teahouse, movie projections, etc). This leaves approx. 550 sq.m. per dwelling.
